† Renaissance Responder is not compatible with the minimum system requirements. Please follow the recommended requirements for optimal performance.

<sup>^</sup>The Wireless File Transfer, NEO Share and NEO 2 for MY Access! require Mac System 10.4.x or higher

\* RLI does not support 64-bit versions of any workstation operating system.

\*\*You must meet the minimum requirements for your operating systems. Newly released versions of these components may or may not be compatible.

As technology advances it becomes necessary for software companies to drop support for older operating systems and third-party software. It is the responsibility of customers to keep their computers, networks, operating systems, and third-party software up-to-date and functional. Although Renaissance Learning will not discontinue support for older products immediately, we will continue to evaluate system requirements and do our best to provide advance notice when it becomes necessary to raise our requirements. The recommended technologies included in this document were defined at the time this product was developed. We will do our best to support new technologies that ship after this product was developed, but cannot recommend those. For the most up-to-date system requirements, please check online at <http://www.renlearn.com/requirements>

**If you have any technical questions about 2Know! or NEO products, please call (800) 338-4204.**
